Care for Newcomer Children

Free onsite childcare is provided for English for Daily Life and Work Classes in Steinbach.

We are happy to be able to offer free on-site childcare for our learners. We have a safe, healthy and fun place for children to play and develop their bodies, minds, social behaviours, and English language skills.

Our philosophy is to teach children through active participation, building relationships, and play-based learning. The childcare program is flexible and adapts to each child.

Placement Tests

Progress reports are given out at the end of December and at the end of June and tell you how you are progressing in your English language skills

LINC Certificates

If you attend enough ESL classes, you will receive a LINC Certificate when the term is finished. You must attend regularly to receive this report. LINC Certificates can be used for Citizenship and to register for college or university classes.

These classes are free for Permanent Residents and Refugees

You can begin a class at any time.
