

# Understanding your Canadian Language Benchmarks Placement Test (CLBPT) Assessment Report

## What is the Canadian Language Benchmarks Placement Test (CLBPT)?

The CLBPT uses the Canadian Language Benchmarks (CLB) to assess how well you use English. Your CLBPT assessment report gives your CLB levels for listening, speaking, reading and writing.

## What are the Benchmarks?

The Canadian Language Benchmarks (CLB) is a 12-level (benchmark) system used to describe listening, speaking, reading and writing skills. The CLBPT measures your ability to use English within the first 8 benchmarks, CLB 1 to 8.

## What do my CLBPT Results Mean?

The chart below describes your CLBPT results. Look at the column on the left to find your benchmark, and then look under the skill (listening, speaking, reading, or writing) to understand what your benchmark level means. Your scores might be different for each skill; this is normal. Some people are stronger at listening or speaking and others are stronger at reading or writing.
